Dear Bethany,

This letter serves as your official notification that Wetland Studies and Solutions is the winning applicant for the Chesapeake Conservation Landscaping Council's 2010 Conservation Landscaping Contest in the professional category.

The winners have been posted on the CCLC website (<http://chesapeakelandscape.org>), and soon we will supplement that with additional photos on CCLC's Flick'r page, accessible through the CCLC contest webpage.

One complimentary registration to CCLC's *Turning a New Leaf* Conference is provided to you, or a representative from your company, as a winner. This year's conference will be held on December 2, 2011 in Lancaster, Pennsylvania, and registration will open this summer. Please send a copy of this letter along with your registration. We will be happy to have you in attendance.

Congratulations on your winning entry, and I hope to visit your new office in person some day!

Sincerely,
