

Fairfax County, Virginia

*Certificate of Recognition
presented to*

Wetland Studies and Solutions, Inc. (WSSI)

for the donation of \$100,000 worth of dredging and the successful public-private partnership that restored a tributary of Difficult Run at the Government Center, using emerging technologies and native plants to improve the habitat and biological function of this stream.

Sharon Bulova, Chairman
Fairfax County Board of Supervisors

October 16, 2012
