Join Us!

The workshop is designed to attract conservation district leaders and staff, local government staff, consultants, engineers, materials suppliers, contractors, educators, students, citizens, MS4 officials, and anyone interested in the environment.

Program

What are TMDL's? The science behind TMDL's, technical assistance available, challenges and costs for retrofitting in VA, grants available.

The program includes a morning coffee, lunch, afternoon break, and CEU certificates for those desiring them.

Cost

Advance registration fee for attendees is \$30.00. On-site registration is \$40.00. Exhibitor fee is \$100.00. Exhibitors can have table-top exhibits set up, and during the lunch break exhibitors will have a few minutes to discuss their products and services.
